

Cafe™ 30" Built-In Knob Control Electric Cooktop

Model#: CEP70302MS1

Cafe™ Series

- Five radiant cooking elements - Keep your kitchen looking sleek and running efficiently with a glass surface that delivers rapid, even heat.
- Syncburners - Evenly heat large cookware like griddles or dutch ovens by controlling two 7" synchronized elements with just the touch of a button.
- White LED backlit knobs with beveled edge black glass surface - Take your design to the next level with white LED backlit knob lighting with beveled edge black glass surface
- 9"/7"/5" Power Boil Element - Tailor your burner size to your cookware with an 9"/7"/5" element that's powerful enough to boil water quickly
- Cafe Fits Guarantee - When you're updating your kitchen, attention to detail is a priority. That's why Cafe cooktops are guaranteed for an exact fit for an easy and seamless replacement.
- 8"/5" dual element - Tailor your burner size to your cookware with an 8"/5" dual element
- Keep warm setting - Serve every dish at the perfect temperature thanks to a keep warm setting on a fully-functional 6" element
- Melt setting - Melt butter without browning it using the melt setting
- Control lock capability - Prevent unintended burner activation with control lock capability
